Projects

YOSO: You Only Shop Once | https://yoso-app.herokuapp.com/
- Shopping and pantry helper that writes shopping lists based on user shopping patterns, warns of potential waste, and offers access to recipes in order to use everything you have or experiment with fun ideas.
- Multi-page React App using Node, Express, React Router, React Context API, React-Materialize, Moment NPM package, and the Yumly API.

Star Wars Pit Fight | https://jamesschlader.github.io/star_wars_pit_fight/
- Star Wars heroes and villains fight it out against a series of opponents.
- Deploys Javascript and JQuery for DOM manipulation, dynamic object construction, and uses CSS Grid for front end presentation.

Experience

Drug Store Manager, **Walgreens, West Jordan, Utah**   **(11/2005 – 04/2018)**
- Delivered highest sales and profit in the district by collaboratively working with department leaders to maximize productivity and sales.
- Coached, trained, and developed several assistant managers into Store Manager.
- Grew net profits 25% while overall customer traffic declined by 20%.
- Executed on weekly targets while 10-15% under labor budget.
- Improved overall employee engagement year over year by 15%.

Education

University of Utah Coding Bootcamp (2019)
Completed Computer Science coursework at Idaho State University
Graduate Studies in Philosophy at University of Nebraska
Bachelors of Arts in Philosophy from Boise State University
